MESSAGE FROM THE NATIONAL PRESIDENT

Dear Union friends,

It is hard to believe that almost three years have passed since our last Convention and that we are already preparing for the next cycle. Time has moved quickly, shaped by change, challenge, and resilience.

The world around us continues to shift at a rapid pace. Working people everywhere are facing uncertainty: economic pressure, political instability, attacks on public services, and renewed efforts to weaken collective voices. The labour movement has not been spared. We are operating in a landscape where union rights are challenged, solidarity is tested, and our relevance is questioned by those who benefit from silence and division.

And yet this is precisely where unions matter most.

Every challenge has reaffirmed why we exist: to protect dignity at work, to stand together when it is difficult, and to ensure that no member stands alone.

2026 marks a milestone for GSU as we celebrate our 10th Convention since our founding Convention in Ottawa in 1999. Over more than two decades, we have grown not only in size, but in confidence and influence. This Convention is both a moment to reflect on how far we have come and an opportunity to chart the course ahead with clarity and hope.

The future of our union will not be shaped by circumstance alone, but by the choices we make together. This Convention is about renewing our collective vision and ensuring GSU remains ready for what lies ahead.

Despite the challenges of our time, I remain deeply hopeful. Hope lives in our members, in our solidarity, and in our shared belief that together, we are stronger.

I look forward to the conversations, debates, and decisions that will guide our next chapter, and to continuing this work alongside you.

A handwritten signature in grey ink, appearing to read "Bruce Roy".

DELEGATE ENTITLEMENT

The number of delegates a Local may send to any regular Convention is based on the highest month of dues-paying members (this includes RAND) in the calendar year before the Convention. (BL 12, S.7)

Delegate entitlement is based on the Local's membership size:

- Locals with up to 100 members: 1 delegate (the Local President)
- Locals with 101-300 members: 2 delegates
- Locals with 301-500 members: 3 delegates
- Locals with more than 500 members: 3 delegates, plus one extra delegate for every additional 100 members or major part thereof

Each Local must also elect Alternate Delegates who will replace any Accredited Delegate unable to attend the Convention.

IMPORTANT

You must submit the list of your delegates to the National Office as soon as they are elected at a General Membership Meeting. If we do not receive your list by May 22, we will assume that no elections were held and that your Local did not meet the requirements of the GSU By-Laws.

For Locals entitled to more than one delegate, please also include the meeting minutes where the elections took place. The minutes must record the name of each nominee, the nominator, the seconder, and the election results.

If elections were not required because of a provision in your By-Laws, include the relevant excerpt from your By-Laws.

All Locals have the right to send observers to the Convention at the Local's expense. **Observers do not have the right to voice or vote during the resolutions debate and are not eligible to vote in the election.**

DEADLINE

We must receive all delegates, alternates and observers' credential forms no later than May 22, 2026. Failure to submit this form will result in being denied accreditation.

Observers will be responsible for booking their transportation - they do not need to use W.E. Travel to do so. Observers' hotel room will be booked by the GSU National Office and charged back to the Local.

- Ensures that each "Be it Resolved" clearly articulates the action sought and can stand alone;
- Does not call for an action or outcome that contradicts or contravenes the PSAC Constitution or GSU By-Laws;
- Ensures that the action proposed is within the jurisdiction of the organization to implement;
- Isn't something that is constitutionally dealt with in another way (i.e. bargaining demands);
- Does not duplicate an existing Resolution of Record;
- Builds on accountability - i.e. deadlines, who is responsible for implementing the proposed action, what resources are required;
